Anytown, State ZIP

Drag your own photos onto any image placeholders in this template. To edit an image, select the image and then tap or click the Style tab in the Format controls.

To add photos, image galleries, audio clips, videos, charts, or any of more than 700 customizable shapes, tap or click one of the insert buttons in the toolbar or drag and drop the objects onto the page.

You can layer and resize objects. To change how an object moves with text, select the object and then tap or click the Arrange tab in the Format controls.

It's easy to create lists.

• Pages detects that you're creating a list if you begin a sentence with a dash or with a number or letter followed by a period.
• You can change how lists appear using the Text tab of the Format controls.
  • Use the Tab key to indent.
  • Use the Return key to add a new bullet.
• Press the Return key twice to end the bulleted list.
